### **Announce the Master of Education in Secondary Education 5-12**

Beginning in October of 2011, Jon L. Jenmarc, Inc., in partnership with Endicott College, will offer a new Master of Education in Secondary Education 5-12 degree program. The 36 credit program has the option of embedding an Initial License in subject areas 5-8 or 9-12 within the master's degree. This program is offered in Brockton/Easton to all candidates who seek to further their career in education.

The first cohort is full but openings still remain for the cohort starting in January 2012. For further information, please call 508.586.3574 or email Fran at [fran.jenmarc@gmail.com](mailto:fran.jenmarc@gmail.com)

Financial Aid through Endicott College is available for this program.
