Fire Science Degree Program Costs

Average Bachelor's Degree Tuition – 4 years $48,000.00*
(Kaplan University is slightly higher)

Average Bachelor's Degree Tuition at Partner College $23,000.00*

$275.00 per StraighterLine Course
Total savings potential of $25,000.00*

* Costs and savings are based on a full Bachelor's Program; Associates Degree would halve costs.

Additional savings may occur with fire science training experience, previous fire science courses, and previous college coursework.
