

JENMARC-PRISM

MILLER ANALOGIES TEST PREPARATION INFORMATION

JENMARC-PRISM offers the following information to students who are preparing to take the **MILLER ANALOGIES TEST** as a requirement for application to a degree program:

Information on the MAT can be found at Pearson's official website here:

<http://pearsonassess.com/haiweb/Cultures/en-US/Site/Community/PostSecondary/Products/MAT/MATHome.htm>

FREE practice test resources can be found here:

http://www.studyguidezone.com/mat_practice1.htm

http://www.studyguidezone.com/mat_practice2.htm

http://www.kaptest.com/Graduate/MAT/Learn-about-the-MAT/GR_mat_practice.html

<http://www.testprepreview.com/modules/analogies1.htm>

<http://www.testprepreview.com/modules/analogies2.htm>

<http://www.matexampracticetests.com/>

A full practice version of the MAT can be taken through Pearson here for a fee of \$23.99:

<http://tpc-etesting.com/matopt/>

In addition, you may want to use MAT test prep books to help you familiarize yourself with the test. These can be found by searching in an online or retail bookstore and your local library.
